

WAAL MAY 2012 MINUTES

The final WAAL gathering for the year was a potluck supper at the Sharon Township Meeting Hall.

In addition to celebrating a great year of meetings, activities and shows with good food and socializing, our tradition of presenting scholarship money to deserving art students graduating from the three Worthington high schools took place. The following students were given their checks by WAAL President Jim Glover:

1. Cheyenne Ivy from Thomas Worthington High School
2. Katelyn Grenier from Worthington Kilbourne High School
3. Sarah Whitt from Worthington Christian High School

The deserving students each gave a brief description of the art examples they had brought with them and discussed their future plans as art students.

Later Jim Glover announced the officers for the upcoming year. Ron Porta is to be president, Alan Sipple, vice president, Ana Atwood, treasurer, and Sara Worthington, secretary.

Bill Westerman thanked Jim Glover and Ron Porta for their service as president and vice president for the current year. He presented them each a gift certificate to express the appreciation of WAAL members for their hours of service and dedication to making WAAL a great art league.

Respectfully submitted,

Sara Worthington, secretary
