August 13, 2018

Dear fellow artists and WAAL members,

I really appreciate the opportunity to speak to you on Thursday August 9th at the Griswold Center. I wanted to speak to you about so much but there was a limited amount of time.

I also wanted to bring it to your attention again. I am really hoping that many of you will come study with me at Cooley Studios. I have created a hub here in Central Ohio for classical training. I want to re-iterate that Cooley Studios is not an art center but rather a school that teaches full-time, half-time and ongoing monthly classes in the classical method. It is my greatest joy and hope to pass this on to you and the next generation of artists. For anyone who wants to know the level of study with days times and cost, I have included that information below. I encourage you to start as soon as possible and in no time. You will not regret it and you will be drawing a painting better than you ever thought possible. My promise is to cut ten years of study off or your journey. You can start today.

Study times and cost: Academic year runs from Sept. 4th through May 24, 2019.

Full-time study: M-Fr./ 9am - 4pm/ \$750 mthly (\$650 if you sign up before Sept.).

Half time: M-Fr./ 9am - noon or 1pm - 4pm/ \$500 mthly (\$450 if you sign up before Sept..).

Ongoing monthly

1 day ea. wk. per month/ \$175 (Wed, 6-9pm and Sat from 1-4pm)

2 day ea. wk. per/ \$285 (Wed, 6-9pm and Sat from 1-4pm)

3 day ea. wk. per/ \$400 (M-Fr./9am - noon or 1pm - 4pm/ Wed, 6-9pm and Sat from 1-4pm)

Summer Workshops from June - August

- classes, times, dates and costs to be announced.

Also, please let me know who is interested in open model nights on Monday night 6-9 pm? I need to know who is interested and will actually come. I want to start Monday the 19th. I can host 8 to 12 people. \$10 per session long pose.

Please don't hesitate to contact me for more information at 614-547-7900 or email me at cooleym21@gmail.com or info@coolestudios.com.

Sincerely,

Michael A. Cooley, MFA
Founder, Director and Instructor
